

DAY CAMP 2015

Children's Therapy Works and Academy at North Fulton partner every summer to bring you our fun-filled, exciting, therapeutic summer camp.. As always we focus on sensory integration, motor development, auditory processing, attention, social skills and pragmatic language. Our goal is to make sure that our kids feel safe and build confidence throughout the weeks. Your child does not have to lose out on their medically based therapies - these can be scheduled throughout the week during and after camp (we accept medicaid, BCBS and most insurances.)

Call now to sign up! Spaces are limited .
